

All About the Base

Objective: Students show their base abilities in photography.

Instructions: Students utilize the camera instructions they receive in class and submit 10 photos with at least two photos each of the following:

1. People (full body or portrait)
2. Landscape, full scope or close-up (streets, buildings or alleys)
3. Nature (flowers, trees, clouds or water)
4. Action (moving cars, people or animals)
5. Student's favorite subject matter
