

Story in 5

Objective: Students learn to tell a comprehensive story in photos.

Instructions: Students work in groups of 3 to 4. They are tasked with telling a story with a beginning, a conflict, and a resolution in 5 photos with the following requirements:

- A prop used in previous assignments that must be in every shot.
- All members of the group, except the photographer, must be in each shot.
- At least one outside shot and at least one inside shot.
- Incorporate at least one strong light source in one shot.
- Use depth of field throughout when possible.
- Include at least one photo using motion.
